

**STANDARDIZED TEST SCORES 2008-2009**  
**Iowa Test of Basic Skills**

The following scores are the 2008-2009 Grade Equivalent (GE) for each of Pacific Crest Academy's grade levels. The Grade Equivalent describes performance in terms of grade level. A student with a GE of 2.5 correctly answered the same number of items as the average second grader in the fifth month of the school year nationally. Social studies, science and research skills were added to the ITBS testing at PCA beginning at Grade 3 for the first time this year.
